STUDENT CODE OF CONDUCT

Australian Pacific College (“the College”) is committed to the pursuit of excellence in learning, teaching and research, and to community engagement. This Code sets out the College’s expectations of students with respect to their academic and personal conduct and outlines the College’s responsibilities to students.

This Code extends the three primary obligations which are stated in the Student Conduct Policy:
1. An obligation to act with integrity in academic work, to ensure that all academic work is conducted ethically and safely
2. An obligation to observe standards of equity and respect in dealing with every member of the College community
3. An obligation to use and care for College resources in a lawful and appropriate manner, and to not diminish the College’s reputation in the carrying out of academic and other associated College activities.

The Code applies to:
- all students. Under certain circumstances it may also apply to a previously enrolled student
- all activities on College premises and all external activities related to study
- conduct in online examinations and online academic work
- students representing the College (such as at sporting and cultural activities)

**PART A: STUDENT OBLIGATIONS**

Students have an obligation to inform themselves of the College’s rules and policies affecting them.

Students must ensure their contact details are up to date and that they read all emails and SMS messages sent by the College.

Students must identify themselves truthfully when required to do so by a College staff member and produce their student card on request to a College staff member fulfilling the requirements of their duties.

Student’s Expectations and Obligations are summarised in Table 1.

**Integrity in academic work**

Students are expected to:
- Conduct themselves honestly and in compliance with College expectations
- Not engage in plagiarism or other academic misconduct
- Conduct themselves in a manner conducive to the proper functioning of the College, which is dedicated to the pursuit of academic excellence
- Actively participate in the learning process
- Attend scheduled course teaching activities and submit assessment tasks on time, unless unforeseen or exceptional circumstances arise
- Behave ethically, avoiding any action or behaviour that would unfairly disadvantage or advantage either themselves or another student
- Ensure the proper use of copyright material
- Not behave in any way which impairs the reasonable freedom of other persons to pursue their studies or to participate in the life of the College.

**Plagiarism**

Plagiarism is defined as “using the words or ideas of others and presenting them as your own. Plagiarism is a type of intellectual theft. It can take many forms, from deliberate cheating to accidentally copying from a source without acknowledgement.” [http://www.lc.unsw.edu.au/onlib/plag.html](http://www.lc.unsw.edu.au/onlib/plag.html)

Students who are found to have plagiarised an assessment will receive a mark of zero for that assessment. This will lead to failure of that subject.

**Equity and respect**

Students are expected to:
- treat all college staff, other students, and visitors to the college with courtesy, tolerance and respect.
  this extends to teaching staff in venues off-campus and online, and supervisors and others involved in workplace or clinical placements, fieldwork or other practicum;
- respect the rights of others to be treated equitably, free from all forms of unlawful discrimination and harassment, including sexual harassment;
- respect the rights of others to express political and religious views and not engage in behaviour that is obscene, dangerous or could reasonably be considered to be offensive to others;
- not engage in behaviour that is unlawful, discriminatory, harassing, or bullying;
- not engage in behaviour that is perceived to be threatening or intimidating or causes any person to fear for their personal safety or well-being;
• not behave in a way that disrupts or interferes with any teaching or academic activity of the College authorised to be held on a campus of the College.

College resources and reputation

Students are expected to:
• use and care for all college resources in a lawful and ethical manner, mindful of the need for resources to be shared by all members of the college community;
• ensure their actions or inactions as a student do not harm, or bring into disrepute, the college’s reputation or good standing;
• not engage in behaviour that is detrimental to college property;
• not participate in any learning activity, such as, tutorials, laboratory class, while under the influence of alcohol or other drugs;
• not use, possess or supply any prohibited drug, substance or weapon on campus;
• not misuse library, computing or communications facilities in a manner which is unlawful or which will be detrimental to the rights and properties of others;
• not use the college’s name, reputation or logo for private gain or the gain of a third party, or private business or commercial purposes, without prior permission;
• not use college resources for private gain or the gain of a third party, or private business or commercial purposes, without prior permission;
• not engage in any fraudulent or corrupt conduct (for information about what constitutes fraud and corruption).

PART B: COLLEGE RESPONSIBILITIES

Learning, teaching and research

The College has responsibilities to ensure that students:
• study in an academic environment which fosters student participation in rational debate and in which students can freely express alternative points of view;
• are considered for selection into courses or programs on the basis of criteria that are valid, explicit, fair and reliable;
• enrol in courses and programs of study that are of high standard, satisfy relevant professional requirements, are up-to-date and based on research, study and discourse in the discipline;
• have reasonable access to appropriately qualified academic staff and academic and learning support services;
• have reasonable access to materials, equipment and other resources to enable completion of academic courses;
• receive timely, complete, clear and accurate information in relation to the content, objectives, cost and assessment tasks of courses; timely and appropriate feedback on assessment tasks; timely and appropriate information in relation to administrative procedures that apply to them;
• can provide feedback on the teaching, learning and research environment;
• study and work in a safe, harmonious, tolerant and productive academic environment.

The College experience

The College has responsibilities to ensure that students:
• are treated with courtesy, tolerance and respect as valued members of the college community;
• are treated fairly, impartially and consistently in all aspects of college policy, procedures and practice;
• are treated equitably, free from all forms of unlawful discrimination and harassment, including sexual harassment;
• have reasonable access to support services if experiencing personal, academic or disability related difficulties;
• have reasonable access to records held about them;
• receive respect and protection of their privacy;
• can complain about an academic or administrative decision that affects them if there are grounds for believing that the decision may have been made on inappropriate criteria;
• can lodge a complaint or appeal without fear of victimisation and with assurance that the matter will be treated seriously, expeditiously and sensitively having due regard to procedural fairness and confidentiality.
PART C: STUDENT MISCONDUCT

There may be occasions when a student’s conduct is a cause of concern in relation to the safety of that student, staff or other students. Such concerns should be referred to Student Services/Student Care who will arrange for assistance to be provided to the student concerned if considered warranted and in the best interests of the student.

Procedural Fairness

The College is committed to the principles of procedural fairness and natural justice. This includes:

- the presumption of innocence unless guilt is freely admitted or proved by clear and convincing evidence,
- the right to be heard,
- the right to be treated without bias,
- the right to be informed of allegations being made and to be provided with an opportunity to respond to these,
- the right to be given reasons for any decision.

A student shall be given an opportunity to correct information and explain mitigating circumstances

No member of staff can make a determination on a misconduct matter if he or she has had prior involvement in any aspect of the allegation.

Students are entitled to due notice of any allegations of student misconduct made against them. Allegations may be amended at any time before their determination, provided the student has received notice.

Knowledge that a student has been found guilty of a past misconduct offence shall not be taken into consideration when determining guilt relating to the current allegation, but may be taken into account when considering the penalty to apply.

The College takes multiple breaches of the Student Code of Conduct seriously. Knowledge that a student has been found guilty of a past misconduct offence (whether or not the same conduct or allegation) will be taken into account when determining the penalty/ies to be imposed.

If multiple allegations of a similar nature come to light at the same time, these can be considered as one allegation if the Principal Academic Director (NSW students)/Campus Manager (Brisbane students) believes that is appropriate in the circumstances.

The standard of proof used in determining misconduct matters is whether the Principal Academic Director (NSW students)/Campus Manager (Brisbane students), after evaluating the evidence presented, believes it is more likely than not that the allegation against the student has been made.

The College is committed to investigating and determining allegations of student misconduct as expeditiously as is practical recognising that a student can be significantly affected by delay in the resolution of the matter. A specified time period may be extended at the discretion of the Principal Academic Director (NSW students)/Campus Manager (Brisbane students).

Upon receipt of the written allegation of student misconduct the Principal Academic Director (NSW students) or Campus Manager (Brisbane students) will, in writing, and within ten days:

(1) notify the student of the allegation;
(2) give the student a copy of this Code of Conduct;
(3) ask the student to answer the allegations and to provide information in relation to any mitigating circumstances the student wishes to be taken into account if the allegation is admitted;
(4) give the student a period of not less than seven days in which to respond;
(5) advise the student that he/she may bring a support person to any interview that may be held.
Where the student admits the allegation the Principal Academic Director (NSW students)/Campus Manager (Brisbane students) may:

(1) impose no penalty because the Principal Academic Director (NSW students)/Campus Manager (Brisbane students) believes that no penalty is warranted; or,
(2) impose one or more of the penalties that the Principal Academic Director (NSW students)/Campus Manager (Brisbane students) believes is appropriate considering the circumstances. Some of the penalties are set out in Table 2 below; or
(3) advise the student within 14 days in writing of his/her determination and the reasons for it.

Notification of any adverse determination will include notice of the student’s right of appeal.

Where the student denies the allegation the Principal Academic Director (NSW students)/Campus Manager (Brisbane students) may, after investigating the matter in accordance with this policy, take action including:

(1) determining that the student has satisfactorily addressed the allegation/s and dismiss the allegation/s; or
(2) advising the student within 14 days in writing of his/her determination and the reasons for it.

Notification of an adverse determination must include notice of the student’s right of appeal in accordance with the Student Complaints and Appeals Policy.

Where an adverse finding has been made against the student a student has 20 days to appeal the determination ("Appeal Period"). The 20 days shall start to count from the date a student is notified of the determination.

If the student does not appeal the determination then any penalty imposed will take effect upon expiry of the Appeal Period and the College shall take whatever action is necessary including reporting the student to the relevant government department via PRISMS if required.

If the student appeals the determination then any penalty will not take effect until all avenues of appeal are exhausted in accordance with the Student Complaints and Appeals Policy, and once exhausted the College will take the appropriate action as required by such appeal.

An appeal by the student can be based on one or more of the following:

• lack of procedural fairness in the investigation process conducted by the College;
• that the determination was manifestly unreasonable or cannot be supported having regard to the evidence.

2. GOOD MANNERS

Please be polite to trainers and classmates and the other College staff. Swearing and insulting language (including threats, racist language and sexist language) are not welcome at the College.

The College employs male and female trainers. Your classmates come from many different parts of the world. We ask that you show respect for all trainers and classmates and all College staff regardless of their age, gender, nationality, religion or the way they look. This helps others to respect you and brings an important dividend - a good reputation for your country!

3. NOISE

It is courteous and considerate not to make excessive noise at the college. Please try to enter and exit the buildings in a quiet and orderly manner.
4. LATENESS

Lateness to class is both annoying and inconvenient. Note that lateness will affect your attendance record. If you are more than half an hour late to class, you will be marked absent for half of that session. Being late for class also means you miss important content for your subject. Please try to be on time for your lectures and tutorials as lateness inconveniences the whole class.

5. RESPONSIBILITY FOR EQUIPMENT USED

Students are responsible for any equipment they use at the College. Any deliberate damage to equipment or property by students may mean they have to pay for the damage. Please notify trainers if any breakage occurs or if any equipment is not in good working order.

6. CLEANLINESS AND HYGIENE

Showering or bathing is expected each morning before coming to class. In Australia, both men and women usually apply a deodorant (antiperspirant) under their arms every day. Brush your teeth morning and evening after meals. Wash your hands before meals and after using the toilet. Wash your clothes regularly and wear clean fresh clothes to College.

CLEAN UP AFTER YOURSELF!

Make sure you don’t leave your notes, learning resources, homework, assignments, notebooks or lecture pads behind in the classroom after a class has finished. If you are eating in the classroom during breaks please do not leave litter in the classroom, in or near the lifts or around the entrance to the building.

Place ALL RUBBISH in the rubbish bin provided in each classroom or other area.

7. SPEAKING IN ENGLISH (ENGLISH AS A SECOND LANGUAGE STUDENTS)

At the College please speak English as much as possible because it will help you to learn and will also improve your English. Also, please do not speak your own language in class; it is rude to students from other countries. You will get much more English practice if you make friends with students from other countries who are also studying in Australia.

8. SMOKING

No smoking is allowed inside any enclosed public space. This includes all APC buildings, toilets and stairwells. Those who wish to smoke in BREAK TIMES need to go OUTSIDE for this and well away from the building entrances as some public outdoor spaces are also smoke free (no smoking) areas.

Information for Sydney (NSW) students

The following public outdoor places are smoke-free

Within 10 metres of
• children’s play equipment,
• Swimming pool complexes,
• Spectator areas of sports grounds or other recreational areas while organised sporting events are being held,
• Railway platforms, light rail stations and ferry wharves, bus stops, light rail stops and taxi ranks

Within 4 metres of a pedestrian access point to a public building

The council may issue on-the-spot fines if you are caught smoking in a no-smoking area (between $550 and $1100)

Information for Brisbane (QLD) students

The following public outdoor places are smoke-free

• within 10 metres of children’s play equipment
• patrolled beaches (between flags)
• artificial beaches (between sunrise and sunset)
• commercial outdoor eating and drinking areas
• major sport stadiums
• pedestrian malls and public transport waiting points, including Queen St, between Edward St and George St
• within 4 metres of non-residential building entrances

The council may issue on-the-spot fines of $220 to anyone found smoking in a no-smoking area.

DISPOSE OF CIGARETTE BUTTS AND OTHER RUBBISH THOUGHTFULLY: DO NOT DROP THEM ON THE GROUND.

Warning: Smoking is addictive and causes injury to your health.
9. FINES FOR LITTERING (THROWING RUBBISH ON THE GROUND)

In Australia you will be fined if you are caught throwing rubbish on the ground. Council rangers can impose on the spot fines if they catch you littering. Council fines for littering are:

<table>
<thead>
<tr>
<th>Sydney (NSW) Fines</th>
<th>Brisbane (QLD) Fines</th>

<tbody>
<tr>
<td>• $60 for littering of small items such as confectionary wrappers, ATM statements, cigarette packets, bus or train tickets and stubbed out cigarette butts;</td>

</tr>
<tr>

10. CLASS RULES

1. Students are to be seated and ready to commence classes no later than 5 minutes after scheduled times, i.e. if the class is due to commence at 5.00 pm students should be seated no later than 5.05 pm.
2. The only language to be spoken within the classroom at ANY time is English.
3. Please show respect for your trainers at all times.
4. Please show respect for your fellow students at all times.
5. Discussions between students are not to be conducted whilst the trainer is instructing the class.
6. Please do not eat or drink during lessons.
7. Students leaving class after being marked present and not returning will be marked absent for the class.
8. Please leave the premises in an orderly manner and do not loiter in corridors or at the front of the building(s)
9. ALL mobile phones must be switched off or onto silent while you are attending the vocational school. It is very rude to your fellow students and your trainer to accept calls in class. Many of your fellow students may not say anything, but will still feel that it is rude. If you need to be contacted urgently while you are attending class, you can inform potential callers, prior to class, to leave a message with Reception.

NOTE: Student Code of Conduct can also be found on the college website http://apc.edu.au/aboutAPC/policies.htm

COURSE PROGRESS AND ATTENDANCE

1) Course progress for Vocational (VET) courses

The College has elected to implement the Department of Education/Department of Immigration and Border Protection (DoE/DIBP) Course Progress Policy and Procedures for all of its CRICOS registered VET courses.

Please note that the DoE/DIBP Course Progress Policy and Procedures do not apply to English language courses offered by the college.

Students are required to maintain a satisfactory academic progress. To maintain your progress you are required to pass at least 50% of your scheduled subjects in any study period.

<table>
<thead>
<tr>
<th>Course</th>
<th>Study period definition</th>
</tr>
</thead>
<tbody>
<tr>
<td>Certificate II in Business (NSW students only)</td>
<td>Two consecutive subjects</td>
</tr>
<tr>
<td>All other vocational courses</td>
<td>One Term (3 months)</td>
</tr>
</tbody>
</table>

If a student fails to maintain satisfactory academic progress in a study period, APC’s Intervention Strategy will be initiated (refer to Intervention policy on the College website). The student will be notified of the risk of not maintaining satisfactory academic progress and the continuing risk of the College needing to issue an intention to notify the relevant government department for unsatisfactory progress if there is no improvement.
If a student is identified as not making satisfactory course progress in a second consecutive compulsory study period, the student will be contacted by APC to notify the student of our intention to report to the relevant government department for unsatisfactory progress.

Students who fail to meet this requirement will be advised that they have 20 working days in which to access the college’s internal complaints and appeals process.

Additionally all students must pass all subjects pertaining to their qualification in order to be awarded that qualification.

Students may be eligible to be reassessed and a re-assessment fee will apply in such cases. Please speak to your trainer, Student Services or the course coordinator for more information.

2) Attendance

• Attendance for each scheduled lecture and tutorial is recorded and monitored for academic progress purposes.
• APC expects all students to attend 100% of the scheduled lectures for each subject in any study period.
• Attendance will not be monitored for the purposes of your visa as APC has elected to implement the DoE/DIBP approved course progress policy and procedures at http://apc.edu.au/aboutAPC/policies.htm

Recording attendance

• If a student is absent from the college because he/she is sick, they should see their doctor or dentist and obtain a medical or dental certificate (letter). The student may have this copied.
• It is the student's responsibility to come to class every day and to maintain a satisfactory attendance rate.
• Class rolls are marked using the following codes:
  o P = present for the whole lesson (attendance for the lesson is 100%)
  o P1 = arrived late (attendance for the lesson is 50%)
  o P2 = arrived more than half way through the lesson (attendance for the lesson is 0%)
  o P3 = left class early (attendance for the lesson is 0%)
  o A = absent for the whole lesson (attendance for the lesson is 0%)
  o B = removed from class for behavioural reasons (attendance for the lesson is 50%)

INTERVENTION STRATEGY POLICY

Australian Pacific College is committed to the delivery of high quality academic outcomes for students through the regular monitoring and assessment of student progress and through the provision of high quality support. Standard 10 of the National Code of Practice for Registration Authorities and Providers of Education Training to Overseas Students 2007 requires providers to “systematically monitor students’ course progress” and be “proactive in notifying and counselling students who are at risk of failing to meet course progress requirements”. This policy sets out the means by which the College meets that commitment, and ensures that the legislative requirements of the National Code are met.

Should the student be at risk of not maintaining satisfactory academic progress, the student will be notified and advised:
• on the suitability of the course in which the student is enrolled;
• of opportunities for the student to be reassessed for tasks in units or subjects previously failed, or demonstrate the necessary competency in areas in which the student had not been previously able to demonstrate competency; and
• that unsatisfactory course progress in two consecutive study periods for a course could lead to being reported to DIBP, depending on the outcome of any appeals process
• that being reported to DIBP could affect their visa

STUDENT TRANSFER REQUEST

A Student Transfer Request refers to international students currently enrolled at APC who wish to transfer away from the College to another institution or students who wish to enrol in to APC from another institution.

Students transferring in under the first six months of study

Overseas students are restricted under the National Code 2007 Standard 7 from transferring from their principal course of study for a period of six months and, only under certain circumstances can the student transfer their course in under six months. This restriction also applies to any course(s) packaged with their principal course of study.

Applying for a letter of release

Students can apply for a letter of release to enable them to transfer to another education provider. However APC will only provide a letter of release to students in the first six months of their principal course under certain circumstances.

NOTE: Above are extracts from the policy. You must refer to the full Student Transfer Request Assessment policy for more information at the college website http://apc.edu.au/aboutAPC/policies.htm.

Transfers between APC Sydney and APC Brisbane

Please see Student Services to discuss this possibility. Transfers between APC Sydney and Brisbane are subject to the availability of space and relevant study units in your preferred course. Please note a COE processing fee applies as APC Sydney and APC Brisbane are separate CRICOS Providers.

Students granted a visa under Streamlined Visa Processing

If you have been issued with a visa under Streamlined Visa Processing (SVP) provisions any changes to your course (or package of courses) including changing courses within APC or changing to another provider may have implications for the continuance of your visa. There are limited circumstances for you to be able to change courses, please refer to the College’s Student Transfer Request Policy for more information. In some cases you may be required to apply for a new visa if you change to a non-SVP course or provider. The College strongly recommends that you seek advice from the Department of Immigration and Border Protection (DIBP) or a registered migration agent before making a final decision.

DEFERMENT, SUSPENSION AND CANCELLATION OF STUDY

Deferment of commencement of study requested by student

APC will only grant a deferment of commencement of studies for compassionate and compelling circumstances (refer to the Deferment, Suspension and Cancellation policy for more details).

The final decision for assessing and granting a deferment of commencement of studies lies with the Director of Administration and Student Services (NSW)/Campus Manager (QLD).

Suspension of study requested by student

Suspension means the course is halted for a limited period of time after the student has commenced studying.
a) Once the student has commenced the course, APC will only grant a suspension of study for compassionate and compelling circumstances.

b) The period of suspension will not be included in attendance calculations for APC.

c) Where a student is granted an extended period for suspension of study and is remaining in Australia for the duration of the suspension, the College may decide to make the suspension conditional upon regular contact with the College and/or a counsellor, if there are concerns about the student’s welfare and support network.

Exclusion from class
APC may exclude a student from class studies on the grounds of misbehaviour by the student. Exclusion will occur as the result of any behaviour identified as resulting in the college’s Student Code of Conduct.

College initiated suspension of studies
APC may initiate a suspension of studies for a student on the grounds of misbehaviour by the student. Suspension will occur as the result of any behaviour identified as resulting in suspension in the college’s Student Code of Conduct.

Cancellation of enrolment
APC will cancel the enrolment of a student under certain conditions. Please refer to the Deferment, Suspension and Cancellation policy on our website for the conditions of the cancellation of enrolment.

Student Advice
Deferment, suspension and cancellation of enrolment can have an effect on a student’s visa as a result of changes to enrolment status. Students will be directed to contact the Department of Immigration and Border Protection for advice.

COMPLAINTS & APPEALS

A grievance is any concern, difficulty or problem that a student or staff member has concerning their studies or APC.

Students are encouraged to discuss any concerns or difficulties with the staff members or students in question. Students should contact a Student Services Officer in the first instance to attempt mediation/ informal resolution of the complaint. If a student has a grievance with his /her trainer or teacher, the student may choose to refer the matter directly to the Principal Academic Director (NSW)/Campus Manager (QLD), or the Course coordinators.

If the difficulties cannot be resolved informally then the student should utilise the Complaints and Grievances Procedure. At this point, the student should notify APC in writing of the nature and details of the complaint. All internal appeals processes will be at no cost to the student or staff member and will commence within 10 days of lodging the complaint.

If grievances are not resolved after discussion with the College, students will have the right to lodge an external appeal through the Overseas Students Ombudsman. There is no fee to lodge an appeal to the ombudsman.

RECOGNITION OF PRIOR LEARNING (RPL)/CREDIT TRANSFER

Recognition of prior learning (RPL) is the recognition of existing skills and knowledge, attained from previous study or from work and life experiences, against course outcomes (learning outcome). These can include skills and knowledge from previous study or from work and life experiences. APC recognises AQF qualifications and statements of attainment issued by other VET or non-VET training institutions but evidence must be provided to receive RPL.

All RPL must be claimed via the submission of the RPL forms. It is the student’s responsibility to complete the RPL form completely and include all relevant evidence, certified if necessary.

A fee will apply to RPL, please see the fees section of this handbook.

Credit Transfer is the recognition of VET study which has been conducted in Australia only.

Credit transfer is for students who have previously studied and successfully completed one or more subjects containing the same competencies as those offered by APC for Credit Transfer.

Credit transfer assesses the initial course or subject that the individual is using to claim access to, or the award of credit in, the destination course to determine the extent to which it is equivalent to the required learning outcomes, competency outcomes, or standards in a qualification. This may include credit transfer based on formal learning that is outside the AQF framework. APC accepts qualifications of other RTOs.

To apply for Credit Transfer students will need to submit certified copies of their transcript prior to starting with APC. Fees may apply if application is submitted after the student has commenced with the college.

NOTE: Above are extracts from the policy. You must refer to the full RPL and Credit Transfer policy for more information at the college website http://apc.edu.au/aboutAPC/policies.htm
STUDENT ASSESSMENT POLICY

The purpose of the Student Assessment Policy is to describe the process and requirements of assessment at Australian Pacific College, including assessment design and student assessment requirements.

Standard of Work

Students will be provided with criteria for the completion of any assessment activity including assignments, project, workplace activity, examinations or group activities.

Students should complete their assessment activity in-line with the set criteria. This may include such activities as word processing standards, referencing, lay-out and presentation methods or styles.

Standards of work will be reflective of the content, performance criteria or elements required of a (or group of) module/s or competency/ies and/or in-line with relevant and current workplace practices.

Assessment Dates

Student will be required to meet dates in a range of ways such as:

- Submission dates for assignments and projects
- Pre-determined assessment activities held within class times (i.e. debates, presentations, group activities)
- Examination dates

Submission of Assessments

Your trainer will advise you at the start of the term about the method of submission for assessments in your subject. These may include but are not limited to:

- Submission of hard copy of assessment to the trainer at the beginning of the session in which they are due
- Upload of assessment to AIMS for face-to-face subjects (PDF files only)
- Upload of assessments to Moodle for online/distance subjects (PDF or word files)
- Practical in-class activities for example role plays, presentations and exams.

If you have difficulty uploading your assessment please contact the College by email info@apc.edu.au or by telephone.

Re-assessment

If students comply with the required assessment dates, but are initially assessed as not yet competent, they are entitled to a second attempt (re-submission). Re-assessment should take place

| Re-assessment                          | Partial assessments\(^a\): $0 (up to a maximum of 2 times) | Complete assessments\(^a\):

Students who have received a mark lower than 45% will need to repeat the entire subject at their own cost ($450). |

\(^a\) Only if re-assessment is necessary.  
\(^b\) Only if after term is complete.
A reasonable attempt of an assessment must have been submitted to be eligible for re-assessment. A reasonable attempt is defined as a mark of 20% or higher in any assessment.

Re-assessment requests after the end of term must be submitted within 12 weeks of the completion of the subject.

**Late Submissions**

Late submissions will be reduced by 5% per day for maximum of 10 working days. After this the student will be deemed to have failed the subject. Students who have compelling reasons for late submission should apply for an extension in advance or as soon as practicable. Students who are unable to find their trainer should see Student Services or Reception to have each page of their assessment stamped to avoid additional late penalties.

**Extensions**

Students who have compelling or compassionate grounds with valid evidence may apply for an extension but this must be done before the assignment is due or as soon as practicable and must be made through Student Services. If the student is unable to come into the college to complete the appropriate forms then the college should be contacted on 02 9251 7000 (for Sydney) and 07 3003 0088 (for Brisbane) or via email info@apc.edu.au. If the student’s request for an extension is successful, there will be no marks penalty for the period of the extension.

**Plagiarism (Cheating)**

In the event of a student being found to have plagiarised or cheated in some way in an assessment task, that student will be given a zero mark in that assessment task. Similarly a student who fails to submit an assessment task will also receive a zero mark.

The Principal Academic Director (NSW students)/Campus Manager (Brisbane students) will deal with any dishonest assessments/examinations. Dishonest assessments/examinations include:

- Deliberate copying or attempting to copy the work of other students with or without their consent
- Deceitful conduct by submitting the work of another student (as their own).
- Using or attempting to use information the trainer, college or industry has prohibited from use in that sort of assessment or prohibited by law.
- Plagiarism (i.e. taking and using as their own, the thoughts and writings of another with the intent to claim the work as their own)

Students involved in any of the above will be set a new examination/assessment and will be counselled by the Principal Academic Director (NSW students)/Campus Manager (Brisbane students). Further academic misconduct will be recorded in the student’s file and further action such as suspension/dismissal will be at the discretion of the Principal Academic Director (NSW students)/Campus Manager (Brisbane students) and as per the College’s Conditions of Enrolment.

**Mark review Process**

Students who are unhappy with their mark can request a mark review; the review period is up to 12 weeks after the completion of the subject. A request for a mark review for assignments that were proven to be plagiarised will not be accepted. Mark reviews requests can be submitted at Reception or Student Services or by email to info@apc.edu.au after the results have been finalised for the term. During the term you should speak to your trainer directly.

**Assessment Cover Sheet**

Please see Reception or Student Services for a copy of the assessment cover sheet. All assessments must have an assessment cover sheet and the student declaration must be signed.
Assessments kept by APC

In order to meet a range of (external) auditing requirements APC will be retaining evidence of students’ work submitted. This may be in the form of, but not exclusive to:

- keeping the originals (or scanned copies) of any examination papers
- keeping the samples (or scanned copies) of assignments submitted
- keeping photographic, video or audio evidence of projects, presentations, interviews or work placement activities.

**NOTE:** Above are extracts from the policy. You must refer to the full Student Assessment policy for more information at the college website [http://apc.edu.au/aboutAPC/policies.htm](http://apc.edu.au/aboutAPC/policies.htm). You can also find this policy at the back of your Assessment cover sheet.

**ACADEMIC SUPPORT MATERIAL PORTAL (ASM)**

This portal allows students the flexibility of studying up to 25% of their subjects via online/distance while at the same time offering scheduled face-to-face tutorials (Tutorial ASM – TASM).

The College continually monitors the progress of the students in both online/distance and face-to-face classes to ensure all students have the maximum opportunity to progress through the course in a manner expected by both the college and our clients.

All students are offered the option of studying the online/distance component in a face-to-face environment if the student feels that this would be more suited to their learning style. This offer is available to all students via both the online timetable collection system and face-to-face timetable collection.

Under the National Code international students cannot be timetabled to 100% distance or online study in any one term (compulsory study period). This means that students must do at least one face-to-face subject each term.

The option to study via distance/online will be withdrawn for any student who fails to meet course progress requirements. These students will be returned to a fully face-to-face study environment. This is strictly enforced by the College’s timetabling staff and in the College’s online timetabling system.

All students logins, time spent online, uploads and downloads etc are logged by the system which can then supply activity reports as required to the relevant academic and intervention staff, who will contact you if there are concerns about your progress. See also Course Progress and Attendance policy.

The College has made this Academic Support Material Portal available as an important resource for students enrolled in any of our VET courses.

**Technical Support**

If you require technical assistance or wish to report broken links please contact info@apc.edu.au

If you require academic or administrative assistance please contact info@apc.edu.au or visit the Online forums available for each subject.

**Software**

The College will only accept file formats of .doc, .docx, .rtf, .odt and .pdf. Assessments in any other file format will not be accepted.

**Standard of Work**

Standards of work will be reflective of the content, performance criteria or elements required of a (or group of) module(s) or competency(ies) and/or in line with relevant and current workplace practices.
As a student you will be provided with a criterion for the completion of any assessment activity including assignments, project, workplace activity and online quizzes.

When submitting your assessments you must make sure to:
- Complete all assessment activities in-line with the set criteria. This may include such features such as word processing standards, referencing, lay-out and presentation methods or styles.
- Save each file with your student number
- Upload the correct assessments. This is your responsibility.

Student resources
These provide you with information and short activities to complete.

Unacceptable behaviour (immediate suspension of your course)
It is unacceptable to:
• give out your password to anyone.
• hand in work that was done by someone else (refer to Plagiarism page 2)
• hand in work that someone has helped you with (refer to Plagiarism page 2).
• in any way sabotage or copy the website (refer to Plagiarism page 2).

Any of the above behaviour will result in a student failing the subjects they are currently enrolled in and forfeiture of rights to the complaints and appeals process.

Assessment Submission
You will be required to submit your assessment by the end of the required week stated on your course for example this is what you may see:

BSBINN301A - BSBDIV301A Assessment 1 of 2 (due end of week 5) Assignment
BSBINN301A - BSBDIV301A Assessment 2 of 2 (due end of week 8) Assignment

If students comply with the required assessment dates and makes a reasonable attempt, but are initially assessed as not yet competent, they are entitled to a second attempt (re-submission). Re-assessment should take place within a reasonable time-frame. If students do not comply with the required assessment dates conditions apply, see below late submissions.

NOTE: Above are extracts from the policy. You must refer to the full Online and Distance Delivery Policy for more information please go to the student online portal (ASM).

HOLIDAY INTERVENTION PROGRAM (HIP)

Students who do not meet the academic outcomes for their subjects in the previous term are given the opportunity to attend the College’s Holiday Intervention Program (usually held in week 10 or 11 of term).
Students who fail to attend the Holiday Intervention Program will be required to repeat the subject at their own cost if they wish to achieve their qualification.

Fees for Holiday Intervention Program
• Online/ASM subjects: FREE (where tutorial attendance is 80%+)
  $100 (where tutorial attendance is <80%)
• Face-to-face subjects $100 (where lecture attendance is 80%+)
  $250 (where lecture attendance is <80%)
ACHIEVEMENT OF A QUALIFICATION

Australian Pacific College issues a number of formal qualifications or awards to students who have completed their course of studies at the college and who have met all other requirements for the completion of the course.

For students to pass the course, they must be graded as “competent” for each subject in the relevant course. To achieve a grade of competent they must pass every assessment task in the subject. They must gain a PASS (or higher) grade in all subjects before a qualification document will be issued. If you do not attain your qualification you will be issued with a Statement of Attainment showing the subjects you have passed.

The achievement of an award from the APC Vocational School requires the successful completion of all subjects designated for that award, the payment of all outstanding fees, return of all college materials and property, and the achievement of the required level of attendance at the College. Students who do not meet the outcomes required for their qualification will receive a Statement of Attainment listing the units of competency they have achieved.

Students are also required to have a Unique Student Identifier (USI) and to notify the College of this number before a qualification or statement of attainment can be issued. Students can register for a USI at http://usi.gov.au/ or via the student portal (http://www.apc.edu.au/enrolnow).

Details of current courses available at APC are available on the APC website – www.apc.edu.au.

CLASS TIMES/TIMETABLE

Each term you will be issued with a class timetable and study programme. A list of subjects will be posted around the vocational campuses and on the Intranet at the beginning of each term.

Please try to be on time for your class/lecture as lateness inconveniences both fellow students and staff, and reduces your attendance, which may affect your visa. (Please see the Course progress and attendance policy)

CLASSES

All students are expected to attend 100% of classes allocated to them. The face-to-face lessons are made up of lectures and tutorials and may be scheduled any day of the week. There are three types of tutorials

1) Subject Enhancement Tutorials (SET) – these are tutorials attached to face-to-face subjects
2) Tutorials for ASM subjects (TASM) – these are tutorials attached to online/ASM subjects
3) Enhance Your Employability Skills (EYES) – these seminars are focused on practical skills

CHANGE OF CLASS/TIME TABLE

Classes and timetables may be changed up until the end of session two of each subject (usually this falls at the end of week 2). Classes and timetables cannot be changed after this time due to class sizes and the fact that students will miss assessments tasks which are critical to the success of the student. The cost for changing classes and timetables after you have completed your timetable for the term is $100.

CLASS ROLLS

Each class and tutorial you attend has a separate class roll. The roll is marked by the class trainer each day as a record of your attendance.

EXCURSIONS

Trainers sometimes organise excursions for their classes. These provide important opportunities to experience aspects of business or the business environment in Sydney directly relevant to your course of studies. Excursions form a normal part of the learning experiences provided by the college. They should, therefore, be attended by all students in the class.

Excursions are often free of charge, but there may sometimes be a bus or train fare, or entrance fee to be paid. Wherever possible, the College tries to keep these fees and charges to a minimum.
COLLECTING YOUR TIMEATABLE FOR THE NEXT TERM

Each term you are expected to complete the timetable collection process for the term. For continuing students this is available both online and face-to-face. Details of dates for next term’s timetable collection period will be available in week 7.

STUDENTS WHO DO NOT COLLECT THEIR TIMETABLE

Students who do not collect their timetable are deemed to have not commenced or returned to their study.

Students who do not collect their timetable by close of business (5pm) within 5 business days of their COE start date will have a default recorded against their COE for non-commencement of study.

Students who do not collect their timetable by close of business (5pm) of Friday of week 2 of term will have their COEs cancelled for the reason of:

• non-commencement of studies for new students/new COEs
• cessation of studies for continuing enrolments

RECORDS MANAGEMENT

APC maintains student records which are stored digitally. All hard-copy student records are converted to digital files and stored on servers and are accessible only to APC personnel. Students are entitled to view their file and can do so by asking Student Services.

All student files are stored digitally for 7 years after enrolment has expired. Records of student results, amendments to results, qualification, statement of attainment and transcripts will be kept by APC for 30 years after enrolment has expired.

For privacy reasons information about a current or former student of APC will not be released to anyone without written permission of the student except in circumstances where the college is legally required to release such information.

UNIQUE STUDENT IDENTIFIER (USI)

From 2015 all students undertaking vocational education are required to have a Unique Student Identifier. This unique number links to an online account that contains all your training records and results that you have completed from 1st January 2015 onwards. Every year all Registered Training Organisations (RTOs) are required to submit their students’ results. That is, your results from 2015 will be in your account in 2016 and so on.

Students are required to notify the College of their USI as soon as possible. The College is not permitted to issue a qualification or statement of attainment without this number.

STUDENT ADMINISTRATION INFORMATION

STUDENT CARDS

All students in APC will need a student card for access to the campus (security may ask for it to be shown), admission to exams, etc. Your photograph will be taken during orientation in your first term. Student cards will be ready to be picked up within 2 weeks of your start. See Reception to collect your card.

PAYING FEES*

You have to pay your term fees before starting each term. Failure to pay your fees when required will result in you being unable to obtain a timetable for study. If you do not commence studies at the commencement of term as stated on your eCOE, the relevant government department will be notified and your visa may be affected.
### Payment of Tuition Fees

**ALL** course installment fees must be paid to APC before the end of week 9 of the preceding term (Cash will only be accepted at APC Kent St during business hours). Make sure you have paid your fees before the next semester starts. You will not be allowed into class if you have not paid your tuition fees and this may lead to loss of attendance. Please keep your receipt as proof of payment.

Payments can be made by:

- Cash (Only at APC Kent St)
- Direct deposit or Internet transfer - please quote your student number

ACCOMMODATION

Student Services can provide students with help in finding accommodation and understanding lease and tenancy conditions. Temporary accommodation can be arranged before you leave home allowing you time on arrival to consider where and how you would like to be accommodated in the longer term. Student notice boards and newspapers often advertise rooms, apartments and houses for rent.

• Homestay

Living with an Australian family is called Homestay. Homestay is an excellent introduction to the Australian way of life and provides a great opportunity to practise speaking English. Students will be treated as part of the family by their hosts.

The fee for homestay covers: 7 breakfasts, 7 dinners and 2 lunches on the weekend.

Single rate: student’s own room, with bed, desk for study and wardrobe
Shared rate: 2 students sharing one room with bed, desk and wardrobe

The minimum length of stay in a home is 4 weeks. If students wish to leave their homestay they must inform their host 2 weeks before they leave. This is called 2 weeks notice. For information about homestay and shared accommodation please talk to Student Services.

• Backpackers

Sydney and Brisbane have a large number of backpacker accommodations of good and low quality. Before you stay at backpacker accommodation, you should ask to see the facilities and the bedrooms. Prices for backpackers vary greatly and depend on how many people you are prepared to share a room with. Staying in backpacker accommodation is a good way to meet other travellers and make new friends.

• Share accommodation

Shared accommodation is where you live with other people in a house or apartment. You may share a bedroom or have a bedroom to yourself and the cost of utilities like electricity and gas are shared between the people in the household. A notice board is available at the campus for people to put up notices for room available – have a look you may find something interesting.

For more information please ask at Student Services.

INFORMATION REGARDING SCHOOL AGE DEPENDANTS

Please note that prospective students with school-aged students should explore schooling obligations and options before enrolling. Students should be aware that any school-aged dependents accompanying them to Australia will be required to pay full fees if they are enrolled in either a government or non-government school. See [http://www.schools.nsw.edu.au/index.php](http://www.schools.nsw.edu.au/index.php) for more information about government schools.

WATER RESTRICTIONS
Australia is a dry country and has water restrictions in place to limit the amount of water that is wasted. Please remember to turn off taps, limit the length of time you leave water running when you clean your teeth, take a shower or wash your hands. If you own a car use a bucket to clean your car instead of a hose.
