- 1.2 All RPL must be claimed via the submission of the attached [RPL forms](#). It is the student’s responsibility to complete the RPL form completely and include all relevant evidence (certified if necessary).

2. CREDIT TRANSFER

- 2.1 Credit Transfer is the recognition of VET study which has been conducted in Australia. Students who have previously studied and successfully completed one or more subjects containing the same competencies as those offered by the College can apply for a Credit Transfer.
- 2.2 The College recognises AQF qualifications and statements of attainment issued by other VET or non-VET training institutions but evidence must be provided to receive a Credit Transfer. The College accepts qualifications from other RTOs.
- 2.3 Credit Transfer assesses the course or subject that the student has completed against the required learning outcomes, competency outcomes, or standards in the College’s course or subject they intend to study.
- 2.4 To apply for Credit Transfer students will need to submit certified copies of their transcripts prior to starting with the College (refer to paragraph 3.3 below) with the attached [Credit Transfer form](#).
