

MST20722

Certificate II in Apparel, Fashion and Textiles

Dive into the art of complete garment design, embracing both self-developed and client briefs within project constraints. Our program emphasises sustainable patternmaking, aligning with the eco-conscious fashion industry. You'll gain hands-on experience in textile, clothing, and footwear basics, working under supervision and mastering defined tasks. This qualification is typically used to develop basic employment-related skills and knowledge including preparatory access and participation skills and/or specific workplace skills that relate to an individual sector.
